Blues and Soul music
usually with a few surprises

DATE: Sun 25 August 2019

TIME: 17.00

Dave Gray, guitarist and vocalist, regularly brings together great musicians for an evening.

On Sunday 25 August he will be joined by the legendary John "Dusty" Dunsterville (guitar and vocals), Les Calvert (bass guitar) and Pete Hague (drums). Expect great blues and soul music, with a creative twist.

Reading most famous 'back street boozers' has been saved from an uncertain future by three local residents.

Dave Gray, Di Whitaker and Mark Birmingham, all long-term residents of 'The Village' Eldon Street Conservation Area, moved quickly last week to secure the suddenly available lease from Admiral Taverns and make safe their Landlord Brian Moignard.

Pop along this weekend and say hello.
